Subject RE: Hilary Anderson Settlement group

Marc, I distributed your list to our co-counsel so they can work on clearing their deficiencies. Our firm had a handful of clients listed and we are working on clearing those up, too.

I believe you have our lists of clients on whose behalf we need releases. If you need anything from me in order to prepare releases for non-deficient claims, please let me know. Otherwise, I will look forward to receiving our releases. Thanks and have a good weekend. - Jill

Jill,

Attached are the deficiency reports for this settlement. Please note that many of these claims may not be represented by your firm. Unfortunately this is a canned report and includes all deficient claims whether they are your firms' or Varas or whomever.
